

Spiritual Mind Treatment

IN THE DEPTH OF MY BEING, I KNOW
THAT MY FATHER LOVES ME.

I know that in His Absolute Good way God wants only the best for me. I accept that, in all situations and circumstances and I praise Him in an attitude of gratitude.

Father, I invite You and allow You to create through me. Give me the mental attitude to stretch out on Your Word, obeying Your laws and accomplishing my desires and dreams.

I replace inferior thoughts with superior thoughts, evil thoughts with good thoughts, distressing thoughts with pleasant thoughts. I mentally, consciously, look for the God in me, which is the good in me.

My spiritual supply is always available. It never runs out. And, it will yield according to my faith demands upon it.

The Law of Compensation is my law. God gave it to me to govern my good. I use it so my life will be a better place to live.

And, so it is.
